

# RENEWING PARISH CULTURE MISSIONARY DISCIPLES, DIVINE RENOVATION & ALPHA

How do we renew our parishes to become more outward focused and welcoming for those who are disconnected from our faith communities? How can Alpha & the Divine Renovation model help in this task and why is cultural change so important?

This evening, **especially for Parish Pastoral Councils**, will explore these questions and offer some ways in which you and your parish can begin the process of cultural renewal and making missionary disciples.

With both presentation and opportunities for Q&A this evening will outline the ways in which parishes within our own Diocese, other Diocese around Australia and indeed the world are taking up Pope Francis' call to be a more outward looking, missional church.
