

St Michaels Community Groups

Newsletter - a supplement to the Parish bulletin to keep you informed.

Easter Sunday edition

Many thanks to those people who have volunteered to deliver a bulletin and newsletter to parishioners unable to access these electronically.

Can you help us build up our list of those needing home delivery? **Please**, forward these names and addresses to: office@nowraparish.org.au

Remember to forward email addresses to the office for inclusion in the email out and parish records.

Celebrating Eastertide (*Paschaltide*) at Home:

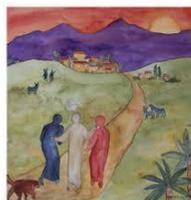

Having lived well the penitential time of Lent, let's not forget that the six weeks after Easter, is also a major season in our church's year.

*This challenging time of isolation and closed churches need not repress the spiritual joy of Paschaltide. Let's use the Easter acclamation of **Alleluia** in all our prayer at home.*

*In the absence of Mass, many people are finding it helpful to have a **prayer space at home**, you could include a Bible & candle and a symbol or two of the church season. For the season of Easter add a white or gold cloth, a flower or bowl of water to remind us of our renewal of our Baptismal promises. Do what works for you!*

*If **Stations of the Cross** has been one of your devotions during Lent, you might like to use this version of **Stations of the Resurrection** during Eastertide. Check the Holy Week*

Folder on the Parish Website by clicking the link nowraparish.org.au

You could pray as a family or ring a friend and pray together as you sit at your screen!

Let us know what is happening in your local church community. *Berry is supporting an overseas family stranded in Australia and making parish hall available for Meals on Wheels extra needs at this time.*

The Parish has a Facebook page! This is just one of the ways we can stay connected. The link is on the Parish website.

Like and follow us at **St Michael's Parish Nowra.**
